Principal’s Message

Dear Parents and students

At Yangan SS, we regularly follow-up on students to ensure they strive to achieve the best possible result. We don’t want them to just ‘have a go’, we expect all students to ‘give their best effort always’. Semester One Report Cards will be issued at the end of this term.

All students need to ensure they bring their positive attitudes, quality behaviour and learning performances to school every day as they strive to achieve for the best achievement / effort level.

I know our school families support these views and appreciate school staff maintaining the high standards of academic performance and behaviour. Let’s continue to work together to ensure Yangan SS remains a great school.

Assistance with Excursion Costs

As you are all aware, years Prep to 6 attend various excursions/camps/programs over the school year. These costs can sometimes be substantial and we understand that these put a huge strain on family budgets. We try to give enough notice for deposit and final payments, however sometimes this isn't enough. We would like to offer the opportunity for families to prepay funds into their child’s account to go towards these school activities. These payments can be whatever is affordable and at different times throughout the year. Reminder though, that full payment MUST be received before your child goes on the class activity. A receipt will be issued for each payment. For any further queries please contact the office.

Excursion and Camp Costs 2015:

The following list of costs associated with the camps and excursions throughout the remainder of the year allows you to budget for these learning experiences.
